List of Litters with Puppy Go-Home Dates

Below is our calendar of puppies, with estimated go-home dates. Families are now reserving for puppies that will be ready to go to new homes spring through end of the year!

OUR PUPPIES ARE **\$3950**. Puppies have a 3-year health guarantee for all genetic faults. We will hand deliver your puppy to you ourselves, to your city's airport, (about \$450-\$550 plus airfare). We can also meet you at Phoenix, AZ airport to deliver your puppy to you. You're also welcome to come pick out/pick up your puppy at our home in Payson, AZ

Here's how it works. When you reserve a puppy and are on that litter's waitlist, once the puppies have arrived, we will send out photos every week by email so you can watch them grow. When they are 7 weeks old, that is when families select their puppies, choosing in order by date of deposit. When it is your turn to select, if the available puppy/puppies do not have the traits you want, then you can move your reservation to an upcoming litter of your choice. In fact, when placing a reservation, we ask our families to select a second litter for a backup, a Plan B, in case the first litter doesn't work out. This way, if needed, you are already on a second waitlist in a good pick position. Some families visit and select their puppies in person. Other families make their selection using the detailed description sheet and multiple photos we send out for each of the available puppies. We are here to help you, answer questions and make sure you get just the puppy you want! Puppies go to their new homes at 8 weeks of age.
